Government of India has today announced the much awaited schedule of 3G Auctions. According to the Press Release, Notice Inviting Application would be issued on 25th February 2010 and the 3G Auctions would start from 9th April 2010.

New Delhi, 24th February, 2010... COAI welcomes the Announcement of Schedule of 3G Auctions.

Mr. T R Dua, Officiating Director General, COAI said that the GSM industry had been eagerly awaiting the 3G Auctions to provide benefits of it to the entire country.

He further stated that the private GSM industry is all geared up to provide high speed internet and wide range of multimedia services. He further stated that 3G technologies and future enhancements will offer the most expeditious and cost effective means of providing mobile broadband to the masses.

He averred that 3G would give a major impetus to the growth and penetration of mobile broadband services in the country and the mobile industry is keen to deliver on its promise to make affordable broadband services available to the consumers in the shortest possible time frame.

He reiterated that 3G technology would not only provide innovative experience to the consumers, but would also act as a major catalyst for social and economic empowerment, increasing productivity and quality of life. 3G would also prove to be a crucial tool to boost rural telephony by enhancing social initiatives such as delivering Tele-Education, Tele-Medicine, etc.
